November 1, 2012

Dear Hunter Mill Friends,

Hurricane Sandy managed to shut down government offices and local businesses but the Board of Supervisors still held an abbreviated meeting on Tuesday. While we would have been happy to postpone the entire meeting, we are bound by state law to act on the public hearings on the date advertised. We deferred all the public hearings and attended to other time sensitive issues on the agenda.

I hope to see you out and about in the Hunter Mill District. If my office can be of assistance to you, please get in touch.

Cathy Hudgins
